

Port Curtis Sailing Club

**DINGHY STORAGE POLICY**

**I. Purpose**

The Policy is to provide a clear reference to members in regard to the use of storage for dinghies under the Club.

**II. Criteria**

1. The Club Captain or his/her nominee has the power to control and allocate boat storage space under the Club house.
2. The Club is entitled to charge a fee for storage, which shall be on an annual basis.
3. Members use storage facilities at their own risk.
4. Storage space shall be allocated at the beginning of each season after applicants, who are ordinary/ life members have nominated their boat, and have paid their fees for the coming season.
5. First priority will be given to members who hired storage space the previous season and have raced regularly (at least 60% of the nominated races\* for that season)
6. Second priority will be given to members who have not hired storage space the previous season.
7. Third priority will be given to members who have not previously hired storage space, but have raced less than 60% of the nominated races the previous season.
8. Members who miss out go on a waiting list, then being allocated to a space which has become available starting with those who applied first.

(Nominated races \*: These include all handicap event series, championships as per PCSC calendar of events)
