## **Policy: Average Points Claim**

### **Rationale**

Competitors in the Port Curtis Sailing Club handicap and rated championship series can submit an application for a claim for average points if they cannot race on one race of the series due to sailing conflicts.

The claim is to be submitted to the sailing committee before the date in question.

The application must document how the competitor meets the following requirements for the claim to be considered.

### **Criteria**

- The absence must be due to State, National, or International championships, or WS graded events for Olympic dinghy classes. Additionally for Sabots the River and Bay Titles are acceptable. In all cases for the class of vessel used in the PCSC races.
- The absence is for the nominated person/vessel only, i.e. not for family member commitments.
- Reasonable transport time to and from the event will be considered.
- Only one sailing day in a series can be claimed for average points.
- The series in question must have a minimum of four races in total.
- Non racing due to PRO roster duties

**Applications must be submitted in writing to the Sailing Committee and will be approved at the discretion of the Sailing committee of Port Curtis Sailing Club.**
